BASE BALL

Marion defeated Sturgis by a score of 2 to 0 Friday afternoon in one of the best games of base ball ever seen in Maxwell park, the fielding of the home team was almost perfect Carroll pulled down two drives in the first inning both of which looked like extra base hits. Ramsey who did the slab work for Marion pitched a wonderful game he held the Sturgis team to two hits one of which was a scratch struck out six men and never allowed a Sturgis man to get past second base. Price the big left handed twirler was on the mound for Sturgis and pitched a good game but in the second inning he served one to Guy Lamb who was the first man up, which just suited him and he drove it through the infield so swiftly that it did not stop until it had reached the ditch and the man who hit it was camping on third base, Cannan then bunted safely down in the first base line and Lamb scored. Marion scored again in the sixth when Brahie reached first on a fielder choice took second on Shrock's error and scored when Rudy fumbled Lamb's hot grounder.

Batteries—Price and Shrock, Ramsey and Brahie.

Sister Recognizes Brother She Parted From Four Decades Ago In Germany.

After an unbroken separation of forty years, brother and sister, parted in Rhine province, Germany, when both were young children, met in Dr. M. Ravdin's office here yesterday morning.

In the Rhine province, forty years ago, little 14-year-old Frederica Baum kissed her little 4-year-old brother, Leo, a farewell as she left the home of her parents for the great country of America, to visit her uncle, B. Baum, a merchant in Evansville. She lived with her uncle four years and then married M. E. Fohs of Marion, Ky. She continued to write home and the rosy picture of this great free country she pictured to her folks at home made the little brother get the wanderlust.

Ten years after his sister had gone he packed his clothes in a bundle and with a companion took ship for America. Little did he think that America was such a large place that he would not be able to walk to his sister's home after leaving the vessel. He landed in New York. There he worked awhile and wrote to his sister that he was in the same country with her. They corresponded continually during their separation.

After living in New York for several years Leo became engaged in business in Livermore, Maine. Years passed by and he became a prosperous merchant. Business called him away from his home but never further than New York and his sister continued to wait to see her brother in Marion.

Last week Louis Baum now 46 years old, was called to Evansville on business. He wrote to his sister of the good news and waited before starting on his journey to hear from her.

Instead of meeting her brother who she would not know at the train, Mrs. Fohs, 55 years old made arrangements for him to come to the office of Dr. Ravdin, her family physician. When she came into the office yesterday morning Baum and another man about his age were standing together.

"Which is your brother?" asked the Dr.

With her tear-wet eyes intently bent on both men she did not hesitate but threw her arms around her brother and broke into tears. The two old children clasped in each other's arms after the long separation sobbed and kissed as they had done forty years ago in Germany. They were still crying at the pleasure of meeting and sorrow of seeing a touch of gray in each other's hair.

Brother and sister had met again but only to separate in a few hours. Louis Baum had to leave for Chicago at noon and Mrs. Fohs had to return to her home in Marion, Ky., shortly afterwards, with promises to each other of spending next Christmas together.

and people of Central City, for their kind entertainment while we have been here attending our business.

Mr. Harry Hard a young man of worth and character was suddenly stricken with paralysis of the heart last Saturday night and died in a few moments. He was the son of T. P. Hard a prosperous and well known farmer of the Frances-Dycusburg neighborhood and a nephew of A. S. Hard, of this place. This stroke of paralysis makes the second to strike the young man within the year, and the second stroke was more or less expected. He was about twenty-four years old and well liked by all who knew him.

RESOLVED THAT A BARREL IS A NICE COOL THING TO WEAR—BUT WHO WANTS TO WEAR A BARREL WHEN WE HAVE APPAREL THAT IS JUST AS COOL AND LOOKS MUCH BETTER BUSTER BROWN

MUCH CLOTHING THAT IS SOLD FITS LITTLE BETTER THAN A BARREL. WE ARE NOT ASHAMED FOR A MAN WHOM WE FIT OUT TO LOOK AT HIS BACK. EVEN NEGLIGENCE GARMENTS MIGHT JUST AS WELL BE PROPERLY CUT. IT COSTS NO MORE BUT SO MANY MANUFACTURERS ARE CARELESS. THEY DO NOT WISH TO MAKE GOOD THINGS BUT THINGS "JUST AS GOOD." A THING THAT IS JUST AS GOOD CAN BE NO BETTER THAN A GOOD THING. WE DO NOT CLAIM THAT WHAT WE SELL YOU IS "JUST AS GOOD," BUT THAT IT IS "GOOD" WOULD YOU NOT RATHER HAVE SOMETHING GOOD? COME TO A GOOD PLACE. THESE ARE SOME "GOOD" THINGS.
